**Haiti walk-a-thon**

Last Friday, the whole of St. Mary’s participated in a walk-a-thon to raise money for the Haiti earthquake victims. Students participated with great enthusiasm. There was terrific teamwork especially when the whole school performed the Mexican wave and conga line!

The teachers are extremely proud of the students with the way they conducted themselves showing a wonderful school spirit.

The walk-a-thon raised a total of $140.00. Thank you to everyone that helped to support it.

THE HOLY TRINITY

Reflection

We are created for relationships either within a family or the larger community, where there are certain roles and responsibilities, but what underlines this relationship is love. The Holy Trinity, Father Son and Spirit inspires us to act with a spirit of love, with deep respect for one another and mutual encouragement of talents and strengths. The Trinity also calls us to overlook prejudices, understand different personalities and serve with a spirit of love. Do we see the Trinity reflected in our relationships at home? How does the Trinity inspire us to work in our community?

“How great is your name, O Lord our God, through all the earth!”

Hunwick’s Eggs Mem Fox 14999
She fed him great food
Full of barley oats and chaff
She picked out his hooves
and fed him lucerne already cut in half

She loved him so much
She’d do anything for him
He was her whole life
He was her everything

She didn’t waste her money on haircuts
Or a silly little trim
Instead she would use all her money
To spend it all on him

She’d ride him everyday
And feed him every night
She’d put him in the stable
And make him warm and tight

Alas one day he had a great fall
And stuck to the ground he was
And there was nothing to do but the inevitable
Of saying our last goodbyes

Then she was back by the fire
With the memories all still there
Would she look at them tomorrow?
Is it something she could bear?

She looked over at the grave
And tried to hide the pain
And while she did she thought for a bit
If she could do it all again

Our Kids - Our Future
Do school fees cover the cost of your child’s education?
No! School fees are very important but education is extremely expensive. Together, the State and Federal governments provide about 80% of the operating funds for most of the Catholic schools in NSW.
For Catholic schools, the remaining 20% is made up by fees and other charges paid by parents, support from the parish (for primary schools) and fundraising activities.
Parents also pay substantial building levies for new buildings and major upgrades of school facilities.
