St Mary's School Board...

We are calling for nominations from our Parent Body to fill positions of those who will complete their terms of office at the end of this year.

In exercising its advisory function, members of the Board assist the Principal and staff in the following areas:

- The fulfilment of St. Mary's War Memorial School as a Catholic School and as a school with a vision for the future
- Promotion of the school in the local community
- The facilitation of communication among the various sections of the School community
- The planning for both the long term development of the School and its regular maintenance; and
- Financial planning accountability
- Developing and monitoring school enterprises

If you are prepared to serve as a **BOARD MEMBER** and are able to meet the supporting criteria, would you please indicate your willingness by completing and detaching the slip at the end of this correspondence and forwarding it to the School Office. It is also recommended that nominees read a copy of the Constitution for Catholic School Boards, a copy of which may be requested from the school.

Alternatively, if there is a parent you would like to nominate for such a position, would you likewise complete the appropriate form *after* seeking his/her acceptance of nomination.

We would ask that you give serious consideration to whether you could be part of this body as our School depends so much upon the generous support of dedicated School community members.

The **THANKS** of the whole School community goes to members nearing completion of their term of office, for their invaluable service through many voluntary hours of contributions in the interests of St. Mary's War Memorial School.

From a School Board member: *"Being a part of the body contributing to the governance of the school is a rewarding way to give back to the school community. They are a very positive and enthusiastic group of people to work with".*
